MAINTENANCE

Dear Zimmer MedizinSystems Cryo User:

The importance of regular and effective maintenance of your Zimmer MedizinSystems Cryo unit cannot be emphasized enough. The main purpose of regular maintenance is to ensure that your unit is operating at 100% efficiency at all times and thus extending the life of your device.

Through regular periodic inspections and corrective measures, minor problems can be detected before they become major issues that could affect your treatments and treatment schedule. The cost of down time has a large impact on your patients, staff, and profitability. Regular and effective maintenance is a simple way to save you time, money, and unnecessary hassle.

So, here's to minimizing interruptions and maximizing efficiency with your Zimmer MedizinSystems Cryo unit. Remember, a little attention today can save a lot of trouble tomorrow. We're always here to help you keep things running smoothly!

PARTS AND SERVICE

Should your Zimmer MedizinSystems Cryo device require service, you can call us toll free and speak to a Zimmer MedizinSystems service specialist. These "Cryo Geniuses", as we fondly call them, possess extensive knowledge of the Cryo devices, offering you unrivaled technical support and troubleshooting options.

In addition, comprehensive Cryo troubleshooting guides are available for download around the clock from our website. They serve as a valuable resource for immediate guidance. If we cannot solve your problem over the phone, we will promptly arrange for pick-up and exchange of your device during the warranty period of your new Zimmer MedizinSystems Cryo unit. With a swift 48-hour turnaround time, we minimize downtime and the risk of lost revenue from canceled appointments - all at no cost to you.

We pride ourselves on using only genuine Zimmer MedizinSystems factory-authorized parts. With service centers strategically positioned on both the East and West coasts, you can rely on Zimmer MedizinSystems to rapidly address your service needs.

And remember, for added convenience, replacement and maintenance parts are readily available 24/7 on our online store at shop.ZimmerUSA.com. Enjoy seamless access to the parts you need when you need them. Having sold over 60,000 Cryo units globally, we're not just experts – we're trusted leaders in the field.
